Accessing Student Applications from Home

Students can access curriculum applications such as Lexia and ST Math from home. Please follow these steps:

1. In a web browser, go to https://myapps.microsoft.com
2. Your student will login with their district email address and password. If your student doesn't know their email address and/or ID number, please contact your student's teacher.

Student Email
[first name].[initial last name] [# # # # # #]@slcstudents.org
Last 3 digits of student ID
Example:
Mary Smith, ID #123456
mary.s456@slcstudents.org

3. Upon login, students will see all the programs that are assigned to them. Click on the desired image to run the program.
